- The Minimum ISU required TES for Short and Free program to participate in **Senior ISU Championships** (Europeans and Worlds) **can only be obtained in Senior International ISU-listed competitions**. Likewise, the ISU required Minimum Technical Elements Score for Short and Free program to participate in the **ISU World Junior Championships can only be obtained in International Junior ISU-listed competitions**.

**Remark for ISU Junior World, ISU Senior European and World Championships singles:**

- When there are 2 (two) or more skaters who have reached the required Belgian Scores in short and free program for Junior Worlds, Seniors Europeans and/or Worlds an evaluation will be made by the KBKF/FRBPA supported by the Judge Commission and Sports Coordinator.
- This evaluation will be made according the participated ISU-listed Competitions of the season in which the Championship (Junior World, Europeans or Worlds) takes place.
- The skater with the highest average of the Total Segment Score will participate on the specific Championship. In case of an equal average, the highest average of TES score will be decisive.
- For Junior Worlds, an evaluation will be made by making an average of the required Scores of the short programs in International ISU-listed competitions in the category Juniors in which the skaters participated.
- For Senior Europeans and Worlds an evaluation will be made by making an average of the required Belgian Scores of the short programs in International ISU-listed competitions in the category Seniors in which the skaters participated.
- The Total Segment Score of the short program is used for the evaluation since the short program is the qualifying program at Junior Worlds, European and World Championship.

**Remark for JGP singles:**

- When there are 3 (three) or more skaters who still have the age requirement to compete in a Junior Grand Prix and who have reached the required Scores in short and Free program, an evaluation will be made by the KBKF/FRBPA supported by the Judge Commission and Sport Coordinator.
- This evaluation will be made according the participated ISU-listed Competitions of the previous season in which the skaters participated.
- The 2 (two) skaters with the highest average of the Final Score (Short + Free Skating) will participate in the JGP's.
- The Federation will decide which skater is competing in which JGP.

**Special remarks for ISU Championships and JGP's singles:**

- When a skater is selected by the Federation to compete in an ISU Championship or JGP he/she will receive an invitation for that competition with all the official forms which needs to be filled out by the head coach.
- All official forms need to be returned by the required deadline mentioned in the invitation mail to the Sport Coordinator and the International General Secretary. If this is not the case the entry won't be accepted by the Federation and the skater will not participate in the respective competition.
- If the skater is not interested in the to him/her proposed competition, the coach needs to inform the Sport Coordinator and the International General Secretary immediately.
- If a skater who is entered for an ISU-Championship or a JGP becomes ill or injured and needs to withdraw, the coach needs to inform the Sport Coordinator and the International General Secretary. This has to be done by mail and needs the attachment of a statement signed by a doctor written in the English language.
- The Federation is not responsible for flights for ISU Championships, GP Senior or JGP, the skater is responsible for the booking of their own travel arrangements as prescript in the announcement.
- All questions about ISU-Events or JGP have to be sent to the Sport Coordinator and the International General Secretary.

1. Bonus points are included in the TES in the calculating system on Belgian Competitions. However, these Bonus points will be deducted from this TES and Total Segment Score to obtain the correct TES and Total Segment Score for the required points.

2. In case a skater participates on National A- and International Interclub A-Competitions in a higher category than the minimum age category the scores will be recalculated to the respective category to get into the BNT. The recalculation in TES, Component will happen as follows:

**For example:** A Novice-A age wise skater participates in National A-Competition in Advanced Novice category. The last solo jump will not be considered for the recalculation of the TES Score. Except when the last solo jump is the only Axel type jump, which is required in the Free Skating Program then the second to last jump will be taken out. Spins and Steps will be recalculated (if needed) from level 3 to level 2.

Components wise the Judge Score for Transitions and Interpretation of the Music will also not be considered. Components Score will be recalculated with the respective factor.

3. Selected skaters of the BNT Team B need to obtain the required Scores in the first half of the season 2017-2018 to be part of the BNT in the second half of the season.

#### **Remarks for ISU-listed competitions singles:**

- Selected skaters and their coaches will receive an e-mail with an International ISU-listed Competition list form for the first part of the season. This form needs to be filled in by the head coach and returned by mail latest at the specified deadline indicated on the form. This mail has to be sent to the Sport Coordinator.
- When a skater is selected by the federation to compete in a certain competition he/she will receive an invitation for that competition with all the official forms which needs to be filled out by the head coach.
- All official forms need to be returned by **the required deadline mentioned in the invitation mail** to the Sport Coordinator and the International General Secretary. If this is not the case the entry won't be **accepted** by the Federation and the skater **will not participate** in the respective competition.
- If the skater is not interested in the to him/her proposed competition, the coach needs to inform the Federation immediately by mail. This mail must be sent to the Sport Coordinator and the International General Secretary.
- If a skater who is entered for an ISU-listed competition becomes ill or injured and needs to withdraw, the coach needs to inform the Sport Coordinator and the International General Secretary immediately. This has to be done by mail and needs the attachment of a statement signed by a doctor written in the English language.
