

BELGIAN NATIONAL TEAM
SINGLES, SYNCHRONIZED SKATING & ICE DANCE
SEASON 2021-2022
Single skating

GENERAL RULES:

- The National Belgian Team singles will consist of three **(3)** different teams, named:
Team Elite - Team A-Development – Team B.
- These teams are divided into different levels described as follows:
Team Elite: EC, WC, GP, Challenger Series, JGP, WJC and ISU-listed competitions.
For ISU listed competitions that coincide with the Nationals (BK), the Nationals have priority.

International Team A/Development: Can participate in ISU listed competitions during the whole season, if these Competitions **do not coincide the Nationals (BK)**.

International Team B: Can participate in ISU listed Competitions and foreign Selected International Interclub competitions if these competitions **do not coincide with Belgian A-competitions**.
- To be part of the Belgian National Team Ice Dance and singles, Team Elite, Team A-Development and Team B, a skater needs to have the Belgian nationality or an ISU Clearance. For all International Competitions see the latest ISU communication: **ISU Communication n° 2030 - Rule 109**
- Only the KBKF/FRBPA can enter the skaters into International ISU-listed Competitions, International Interclub Competitions which are linked to ISU-listed Competitions, ISU Challenger Series, GP Seniors, JGP, Junior World-, Senior European- and Senior World Championships.
- Skaters of the BNT singles can may obtain a Figure Skating Level Test, PCS- level Test on International ISU-listed Competitions, International Interclub competitions linked on an ISU listed competition and ISU-Events.
- Head coaches of skaters from Teams **Elite, Team A-Development & Team B, Synchro and Ice Dance** must send by mail the following information to: skatebelgium-bnt@skynet.be
 - The competition planning national and international competitions
 - Planning changes during the season need to be reported by mail to the federation
 - Information about injuries or illness must be reported immediately to the federation

Required minimum scores team Elite singles & Ice Dance:

- To participate in **Senior European- and World Championships** the skater/team has first to obtain the required ISU Minimum TES for Short and Free program in **Senior ISU-listed competitions**. Likewise, to participate in **Junior World Championships** the skater/team must obtain first the required ISU Minimum TES for Short and Free program in **International Junior ISU-listed competitions**. The ISU minimum requirements and Belgian minimum Total Score must be obtained in an ISU-listed competition during the ongoing or immediately preceding season.
- In case the skater has obtained the required ISU Minimum TES to participate in Championships but **not** obtained the Belgian Minimum Total Result Score an evaluation will be made by the Federation.

Required minimum scores for Team B and Team B Ice Dance:

- In January 2022 a check of the marks will be made, and any adjustment will be published in due time on the Skate Belgium website, first in a communication. These new adjustments start from July 1st, 2022 and will be set for the season 2022-2023.
- Although the required points of Team B won't change during the season, skaters must obtain required points in the first half of the season if they want to be part of the team for the second half of the season.

TEAM ELITE: Entry procedure for ISU Championships (Europeans, Worlds and Junior Worlds), GP, JGP singles, synchronized skating and Ice Dance:

INVITATION:

- When a skater is selected by the Federation to participate in an ISU Event, the skater will receive an invitation for certain competition with all the official forms which need to complete by the head coach.
- **All** official forms must be **returned** by the **required deadline** mentioned in the invitation mail to the Federation. If this is **not the case** the entry **won't be accepted** by the Federation and the skater will **not participate** in the respective Event.
- If the skater is not interested in the proposed competition, the coach must inform the Federation immediately.

Mail to: skatebelgium-bnt@skynet.be

TEAM Elite --Team A-Development & Team B:

Entry procedure for Challenger Series and ISU listed competitions singles, synchronized skating and Ice Dance:

INVITATION:

- Coaches of the selected skaters will receive an e-mail with an International ISU-listed Competition list form for the first part of the season on which they can mark their preferred competitions. This form must be filled in by the head coach and returned by email latest at the specified deadline indicated on the form. This email must be sent to: skatebelgium-bnt@skynet.be
- Afterwards the head coach will receive a list of selected competitions, this selection will be made by the Federation.

ENTERING OF A COMPETITION:

- The head coach needs to download the official documents of the selected competition from the ISU website www.isu.org.
- You can find the official documents on the ISU website – figure skating – events – calendar of events. Click the selected competition on and there you can find under the item “for Teams” the announcement of the competition and the forms.
- The head coach must fill in all the official documents.

- All the completed documents must be sent by mail to skatebelgium-bnt@skynet.be and secretariaat.kbkf@telenet.be latest **ONE week (7 calendar days)** before the official deadline of the **Organizing Committee of the competition**.
- **LATE ENTRIES WON'T BE ACCEPTED!!!!**

SPECIAL REMARKS FOR ALL TEAMS:

Withdrawal due to injury and illness:

- If a skater who is entered for an ISU-Event, ISU listed competition becomes ill or injured and needs to withdraw, the coach must inform by mail to:
skatebelgium-bnt@skynet.be and secretariaat.kbkf@telenet.be .
This must be done by mail and needs the attachment of a statement signed by a doctor WRITTEN IN THE ENGLISH LANGUAGE. Otherwise the Federation won't accept the statement and will not send it to the O.C. of the Event.

Travel & accommodation:

- The Federation is not responsible for flights and hotel accommodation, the skater is responsible for the booking of their own travel arrangements as prescribed in the announcement.

Team leaders' conditions for ISU events:

- The team leader is appointed by the Federation and is either a member of the board or an official.
- The team leader must participate the team leaders meeting and if possible, also the medical meeting.
- The team leader must complete a team leader report which must be sent to the Sport Coordinator, International Secretary and the President of the federation within 7 days from the end of the competition of the event.
- Members of the team must inform the team leader in advance of the practices in which they will skate, which bus they will take to the ice rink and where they will warm up. The team leader is responsible for all forms in case anything occurs.

Questions and information:

- All questions about ISU-Events and ISU listed competitions and foreign international interclub competitions should be sent to:

skatebelgium-bnt@skynet.be
secretariaat.kbkf@telenet.be

International Team Elite-singles Senior - Junior

To be members of team Elite, skaters must have obtained the following **Minimum Belgian Total Result Score**

THE REQUIRED SCORE CAN BE OBTAINED AT THE FOLLOWING COMPETITIONS:

- International ISU-listed competitions.
- Required minimum **Belgian Total Result score** for Junior Grand Prix Series must be obtained in **Junior ISU-listed Competitions and/or Belgian Nationals in Junior category**.
- Required minimum **Belgian Total Result score + Minimum Technical scores ISU** for Junior World Championship must be obtained in **Junior ISU-listed competitions**.
- Required minimum **Belgian Total Result score** for Senior Challenger Series, European- and World Championships must be obtained in **Senior ISU-listed competitions**.

Skaters who have reached the following minimum required **Belgian Total Result** scores for season 2021-2022 may be selected for the following ISU Events:

ISU Junior Grand Prix series 2021-2022:

Ladies: 125.00 points – Result Score

Men: 166.00 points – Result Score

Ice Dance: 105.00 points – Result core

ISU Junior World Championship 2022:

Ladies: 132.00 points – Result Score

Men: 155.00 points – Result Score

ISU Challenger series (Senior) 2021-2022:

Ladies: 143.00 points – Result Score

Men: 180.00 points – Result Score

ISU European Championship 2022:

Ladies: 145.00 points – Result Score

Men: 182.00 points – Result Score

ISU World Championship 2022:

Ladies: 153.00 points - Result Score

Men: 193.00 points – Result Score

Remark for JGP singles:

Example 1:

- When there are **three (3)** or more skaters who still have the age requirement to compete in a Junior Grand Prix and who have reached the required Belgian Scores, a selection will be made by the KBKF/FRBPA.
- This selection will be made according the participated ISU-listed Competitions and/or the Belgian Nationals in **Junior category** of the previous season in which the skaters participated.
- The **two (2)** skaters with the highest average of the Total Result Score (Short + Free Skating) will participate in the JGP's.
- The KBKF/FRBPA will decide which skater is competing in which JGP.

Example 2:

- When there are only **two (2)** skaters who still have the age requirement to compete in a Junior Grand Prix and who have reached the required Belgian Scores in ISU-Listed Competitions and/or the Belgian Nationals, an evaluation will be made by the KBKF/FRBPA based on the same procedure as example 1.
- If one of the skaters has the possibility to reach a place for World Ranking Points in JGP's, this skater will compete in both JGP's.
- If both skaters have the possibility to reach World Ranking Points, both skaters will become each one (1) JGP.
- If the KBKF/FRBPA becomes more than two (2) JGP's from the ISU, the skater with the highest average will compete in two (2) JGP's.
- The KBKF/FRBPA will decide which skater will enter in the JGP's.

Remark for ISU Junior World Championships singles:

- When there are **2 (two)** or **more** skaters who have reached the required Belgian Scores and the minimum Technical Scores for ISU for Junior Worlds, an evaluation will be made by the KBKF/FRBPA.
- This evaluation will be made according the participated ISU-listed Competitions in the category Juniors of the season in which the Championship takes place.
- The skater with the highest average of the Total Segment Score of the **short program** will participate on the specific Championship. In case of an equal average, the highest average of TES score in short program will be decisive.
- The closing date to obtain the Total Segment Scores of the short program in ISU-listed Competitions that count towards the average is **twenty-eight (28) days** before the first days (first official practice) of the specific Championship to count the points (TES short) for the average.
- The Total Segment Score of the short program is used for the evaluation since the short program is the qualifying program at Junior World Championship.

Remark for ISU Senior Europeans and World Championships single:

- In case Belgium got only one (1) spot at a Championships, if there are **2 (two)** or **more** skaters who have reached the required Belgian Scores for Senior Europeans and Worlds, an evaluation will be made by the KBKF/FRBPA.
- This evaluation will be made by making an average of the required Scores of the short programs in International ISU-listed Competitions in the category Seniors in which the skaters participated of the season in which the Championship takes place.
- The skater with the highest average of the Total Segment Score of the short program will participate at the specific Championship. In case of an equal average, the highest average of TES score in short program will be decisive.
- The closing date to obtain the Total Segment Scores of the short program in ISU-listed Competitions that count towards the average is **twenty-eight (28) days** before the first day (first official practice) at the specific Championship.
- The Total Segment Score of the short program is used for the evaluation since the short program is the qualifying program at European and World Championships.

International Team A- Development singles

To be members of Team A - Development the following requirements must be obtained:

INTERMEDIATE NOVICE Girls - >10 Years old: skater has not reached the age of 10 years preceding season 2021-2022

Minimum required total result points: **38.00** points

Technical content elements:

Jumps: **2Lz + jump combo of two double jumps**
Quality: Only fully rotated jumps are taken in to account

Spins & Step sequence: **Total level of all spins and steps = 5**
Quality: sign "V" is accepted only in the CCoSp - CoSp or in a flying spin

Program Components: Average: **3,50**

INTERMEDIATE NOVICE Boys - >10 Years old: skater has not reached the age of 10 years preceding season 2021-2022

Minimum required total result points: **40.00** points

Technical content elements:

Jumps: **2Lz + jump combo of two double jumps**
Quality: Only fully rotated jumps are taken in to account

Spins & Step sequence: **Total level of all spins and steps = 5**
Quality: sign "V" is accepted only in the CCoSp - CoSp or in a flying spin

Program Components: Average: **3,50**

ADVANCED NOVICE Girls - >12 Years old: skater has not reached the age of 12 years preceding season 2021-2022

Minimum required total result points: **75.00** points

Technical content elements:

Short Program:

Jumps: **2Lz or 2F** executed as solo and in a combination
Quality: Only fully rotated jumps are taken in to account
Spins & Step sequence: **Total level of all spins and steps = 7**
Quality: sign "V" is not accepted in the spins
Program Components: Average: **3,75**

Free Skating:

Jumps: **2Lz or 2A, jump combo of three double jumps**
Quality: Only fully rotated jumps are taken in to account
Spins & Step sequence: **Total level of all spins and steps = 7**
Quality: sign "V" is not accepted in the spins
Program Components: Average: **3,75**

ADVANCED NOVICE Boys - >12 Years old: skater has not reached the age of 12 years preceding season 2021-2022

Minimum required total result points: **85.00** points

Technical content elements:

Short Program:

Jumps: **2A or One triple as solo jump or in combination**
Quality: Only fully rotated jumps are taken in to account
Spins & Step sequence: **Total level of all spins and steps = 7**
Quality: sign "V" is not accepted in the spins
Program Components: Average: **4,25**

Free Skating:

Jumps: **2A, One triple jump, Jumpcombo of 3 double jumps**
Quality: Only fully rotated jumps are taken in to account
Spins & Step sequence: **Total level of all spins and steps = 7**
Quality: sign "V" is not accepted in the spins
Program Components: Average: **4,25**

ADVANCED NOVICE Girls - >14 Years old: skater has not reached the age of 14 years preceding season 2021-2022

Minimum required total result points: **85.00** points

Technical content elements:

Short Program:

Jumps: **2A or one triple jump**
Quality: Only fully rotated jumps are taken in to account
Spins & Step sequence: **Total level of all spins and steps = 8**
Quality: sign "V" is not accepted in the spins
Program Components: Average: **4,00**

Free Skating:

Jumps: **2A or one Triple jump, jump combo of three double jumps**
Quality: Only fully rotated jumps are taken in to account

Spins & Step sequence: **Total level of all spins and steps = 8**
Quality: sign "V" is not accepted in the spins

Program Components: Average: **4,00**

ADVANCED NOVICE Boys - >14 Years old: skater has not reached the age of 14 years preceding season 2021-2022

Minimum required total result points: **105.00** points

Technical content elements:

Short Program:

Jumps: **2A and one Triple jump as solo jump or in combination**
Quality: Only fully rotated jumps are taken in to account

Spins & Step sequence: **Total level of all spins and steps = 8**
Quality: sign "V" is not accepted in the spins

Program Components: Average: **5,00**

Free Skating:

Jumps: **2A, two Triple jumps, one triple + double jump combination**
Quality: Only fully rotated jumps are taken in to account

Spins & Step sequence: **Total level of all spins and steps = 8**
Quality: sign "V" is not accepted in the spins

Program Components: Average: **5,00**

JUNIOR Ladies - >15 Years old: skater has not reached the age of 15 years preceding season 2021-2022

Minimum required total result points: **130.00** points

Technical content elements:

Short Program:

Jumps: **2A, Triple jump in combination with a double jump or Triple solo jump**
Quality: Only fully rotated jumps are taken in to account

Spins & Step sequence: **Total level of all spins and steps = 14**
Quality: sign "V" is not accepted in the spins

Program Components: Average: **5,50**

Free Skating:

Jumps: **2A, two different Triple jumps**
Quality: Only fully rotated jumps are taken in to account

Spins & Step sequence: **Total level of all spins and steps = 14**
Quality: sign "V" is not accepted in the spins

Program Components: Average: **5,50**

JUNIOR Men - >15 Years old: skater has not reached the age of 15 years preceding season 2021-2022

Minimum required total result points: **155.00** points

Technical content elements:

Short Program:

Jumps: **2A, Triple jump in combination with a double jump, Triple solo jump**
Quality: Only fully rotated jumps are taken in to account

Spins & Step sequence: **Total level of all spins and steps = 14**
Quality: sign "V" is not accepted in the spins

Program Components: Average: **5,75**

Free Skating:

Jumps: **2A, three different Triple jumps, one Triple + double jump combo**
Quality: Only fully rotated jumps are taken in to account
Spins & Step sequence: **Total level of all spins and steps = 14**
Quality: sign "V" is not accepted in the spins
Program Components: Average: **5,75**

JUNIOR Ladies - >17 Years old: skater has not reached the age of 17 years preceding season 2021-2022

Minimum required total result points: **140.00** points

Technical content elements:

Short Program:

Jumps: **2A, Triple jump in combination with a double jump, Triple solo jump**
Quality: Only fully rotated jumps are taken in to account
Spins & Step sequence: **Total level of all spins and steps = 14**
Quality: sign "V" is not accepted in the spins
Program Components: Average: **5,75**

Free Skating:

Jumps: **2A, three different Triple jumps, Triple jump in combination with a double jump**
Quality: Only fully rotated jumps are taken in to account
Spins & Step sequence: **Total level of all spins and steps = 14**
Quality: sign "V" is not accepted in the spins
Program Components: Average: **5,75**

JUNIOR Men - >17 Years old: skater has not reached the age of 17 years preceding season 2021-2022

Minimum required total result points: **170.00** points

Technical content elements:

Short Program:

Jumps: **2A, Triple jump in combination with a Triple jump, Triple solo jump**
Quality: Only fully rotated jumps are taken in to account
Spins & Step sequence: **Total level of all spins and steps = 14**
Quality: sign "V" is not accepted in the spins
Program Components: Average: **6,00**

Free Skating:

Jumps: **2A, three different Triple jumps, Triple jump in combination with a Triple jump**
Quality: Only fully rotated jumps are taken in to account
Spins & Step sequence: **Total level of all spins and steps = 14**
Quality: sign "V" is not accepted in the spins
Program Components: Average: **6,00**

JUNIOR Ladies - <17 - >19 Years old: skater has reached the age of 17 years but not reached the age of 19 preceding preceding season 2021-2022

Minimum required total result points: 145.00 points

Technical content elements:

Short Program:

Jumps: 2A, Triple jump in combination with a double jump, Triple solo jump

Quality: Only fully rotated jumps are taken in to account

Spins & Step sequence: Total level of all spins and steps = 14

Quality: sign "V" is not accepted in the spins

Program Components: Average: 6,00

Free Skating:

Jumps: 2A, three different Triple jumps, Triple jump in combination with a double jump

Quality: Only fully rotated jumps are taken in to account

Spins & Step sequence: Total level of all spins and steps = 14

Quality: sign "V" is not accepted in the spins

Program Components: Average: 6,00

JUNIOR Men - <17 - <19 Years old: skater has reached the age of 17 years but not reached the age of 19 preceding preceding season 2021-2022

Minimum required total result points: 175.00 points

Technical content elements:

Short Program:

Jumps: 2A, Triple jump in combination with a Triple jump, Triple solo jump

Quality: Only fully rotated jumps are taken in to account

Spins & Step sequence: Total level of all spins and steps = 14

Quality: sign "V" is not accepted in the spins

Program Components: Average: 6,00

Free Skating:

Jumps: 2A, three different Triple jumps, Triple jump in combination with a Triple jump

Quality: Only fully rotated jumps are taken in to account

Spins & Step sequence: Total level of all spins and steps = 14

Quality: sign "V" is not accepted in the spins

Program Components: Average: 6,00

International Team B-singles

To be members of team B, skaters must have obtained the **Minimum Belgian Total Result Scores**

THESE REQUIRED SCORES CAN BE OBTAINED AT THE FOLLOWING COMPETITIONS:

- National A-competitions & Belgian International Interclub A-competitions
- Foreign International Interclub competitions selected by the Federations KBKF/FRBPA
- ISU-listed competitions

Explanation about the category classification for Team B:

- There are no **Chicks and Cubs** in Team B.
- **National Advanced Novice skaters younger than 13 years:**
 - Skaters who reach the required points for Basic Novice will be selected in Team B as Basic Novice International and will participate in Basic Novice.
 - Skaters who reach the required points for Intermediate Novice will be selected in Team B as Intermediate Novice International and will participate in Intermediate Novice. These selected Intermediate Novice skaters **cannot** compete in **Basic Novice international** In ISU-listed Competitions, even if there is no Intermediate category.
 - Skaters who reach the required points for Advanced Novice will be selected in Team B as Advanced Novice International and will participate in Advanced Novice category.
- **National Advanced Novice Skaters older than 12 years:**
 - Skaters who reach the required points for Advanced Novice will be selected in Team B as Advanced Novice International.
 - If they haven't reached the required points for Team B in Advanced Novice, these skaters **cannot** compete anymore in **Intermediate Novice international** in ISU-listed Competitions.
- **National Junior skaters age wise** who reach the required points for Junior will be selected for Junior International.
- **National Senior skaters age wise** who reach the required points for Senior will be selected in Team B as Senior International.
- Once a skater is selected for a certain category in Team B, the skater cannot compete any more in a lower category of the Team, except Junior skaters age wise who also obtained the Senior required points. These junior skaters can compete in both Junior and Senior categories.

The Scores to obtain for International ISU-listed competitions are as follows:

Basic Novice Girls 32.00 points - Total Result without bonus points
Basic Novice Boys 33.00 points - Total Result without bonus points

Intermediate Novice Girls 34.00 points - Total Result without bonus points
Intermediate Novice boys 39.00 points - Total Result without bonus points

Advanced Novice Girls 76.00 points - Total Result
Advanced Novice Boys 90.00 points - Total Result

Junior Ladies 111.00 points - Total Result
Junior Men 135.00 points - Total Result

Senior Ladies 139.00 points - Total Result
Senior Men 185.00 points - Total Result

Skaters participating in higher categories at National- and International Interclub A-competitions need to obtain the following required scores for international ISU-listed competitions:

Intermediate Novice -> Basic Novice Girls 33.00 points - Total Result without bonus points
Intermediate Novice -> Basic Novice Boys 34.00 points - Total Result without bonus points

Advanced Novice -> Basic Novice Girls 41.00 points - Total Result **Free** without bonus points
Advanced Novice -> Basic Novice Boys 47.00 points - Total Result **Free** without bonus points

Advanced Novice -> Intermediate Novice Girls 46.00 points - Total Result **Free** without bonus points
Advanced Novice -> Intermediate Novice Boys 50.00 points - Total Result **Free** without bonus points

Junior -> Advanced Novice Ladies 93.00 points - Total result
Junior -> Advanced Novice Men 98.00 points - Total result

Senior -> Junior Ladies 114.00 points - Total result
Senior -> Junior Men 138.00 points - Total result

Synchronized skating

International Team Elite-synchronized skating

To be a member of this team, synchro teams must have obtained a Minimum Total Score in an **ISU-listed Competition in the ISU recognized categories Junior A for Junior and Senior A for Senior**.

Synchro Teams can be selected for ISU events.

These events are Junior Worlds Synchronized Skating and World Championships.

ISU Synchronized Skating Junior World Challenge Cup 2020:

Minimum **Total Score** **80.00** points

ISU World Synchronized Skating Championships 2020:

Minimum **Total Score** **100.00** points

The Minimum Total Score must be obtained in an ISU-listed competition during the ongoing or immediately preceding season.

Special remarks for ISU Junior World synchronized skating and, ISU World Championships synchro:

- When there are 2 (two) Teams who have reached the Minimum Total Score for Junior Worlds or World Synchronized Skating Championships **in the previous season**, an evaluation will be made by the KBKF/FRBPA.
- In this case, the evaluation can only be made by comparing three (3) ISU-listed Competitions in which all the teams are competing in **the season in which the Championship (Junior World, or Worlds) takes place**.
- The KBKF/FRBPA will make the selection of **these three (3) ISU-listed Competitions**. If necessary, this selection will be announced at the end of June before the start of a new season at the selected Teams.
- The selection will be based on a point system.
The point system will work as follows:
 - The Team which achieved the best result at the ISU-listed competition gets three (3) points.
 - The Team which achieved the second-best result at the ISU-listed competition gets two (2) points.
 - The Team which achieved the third best result at the ISU-listed competition gets one (1) point.
- The Team with the **best total points results** after the three (3) selected ISU-listed competitions will be selected for the respective ISU event.
- In case a Team of the BNT Team A Synchro **cannot** participate all three (3) selected ISU-listed competitions (for some reasons), this team is automatically not included in the selection for the respective ISU event.

Ice Dance

International Team Elite-Ice Dance

To be members of this team, ice dance teams must have obtained the following **Minimum Belgian Total Result Score**

THE REQUIRED SCORE CAN BE OBTAINED AT THE FOLLOWING COMPETITIONS:

- International ISU-listed competitions.
- Required minimum Belgian Total Result score for Junior Grand Prix Series must be obtained in **Junior ISU-listed Competitions.**
- Required minimum Belgian Total Result score for Junior World Championship must be obtained in **Junior ISU-listed competitions.**

Ice Dance Teams who have reached the minimum required **Belgian Total Result** scores for season 2019-2020 may be selected for the following ISU Events:

JUNIOR:

<u>ISU Junior Grand Prix series 2021-2022:</u>	91.00 points - Total result score
<u>ISU Junior World Championship 2022:</u>	116.00 points - Total result score
<u>ISU World Championships 2022:</u>	168.00 points - Total result score

International Team B-Ice Dance

To be members of team B, ice dance teams must have obtained the **Minimum Belgian Total Result Scores**
