Dear skaters and coaches,

We are pleased to invite you for the international competition Stars on Ice Cup 2020 which will take place on the 25th and 26th of January 2020 in the ice rink Silverdome in Zoetermeer in the Netherlands.

In the competition there are levels from beginners till seniors for both girls/ladies and boys/men.

In addition to the regular classification the skaters who are competing in this international competition can also have a possibility to win the Stars on Ice Cup 2020. The rules are explained in the following invitation. Closing date is 24th December 2019.

We hope to welcome you and wish you a lot of success in the competition!

For further information, please contact us or check our website

2. The competition

2.1 Registration

Every figure skating club can register in the international competition Stars on Ice Cup. This invitation has been sent to the figure skating federations in several countries. The competing skaters will skate their free program and the competition will take place in two days.

The total numbers of participants can be limited according to the availability of the ice.

The closing date of the registration is the 24th of December 2019.

Please fill in the official entry form to register.

2.2 Categories single skating

- Twinkle Stars (NL: Starters)
- Rising Stars (NL: Pupillen)
- Super Stars (NL: Aspiranten)
- Future Stars (NL: Mini, midi and maxi)
- Basic novice
- Advanced novice
- Junior
- Senior

2.3 Rules for the Cup

To compete as a club in the Stars on Ice Cup you have to register a minimum of 5 skaters. At least 3 skaters have to compete in the three different scorecard categories.

These Categories are:

- Twinkle Stars
- Rising Stars
- Super Stars

For example :

Competitor	Example 1	Status	Example 2
1	Twinkle Stars	Required	Twinkle Stars
2	Rising Stars	Required	Rising Stars
3	Super Stars	Required	Super Stars
4	Twinkle Stars	Optional	Basic Novice
5	Super Stars	Optional	Junior B
6	Reserve		Reserve

The individual scores of these 5 skaters will be transformed into points for the cup competition (for example 1st place is 1 point). The club which gets the lowest points wins the cup.

Every club has to register in advance which 5 participants they want to select to get the points for the cup and 1 reserve participant. The cup will be won as a club.

2.4 Drawing of the starting order and time schedule

The competition will take place on two days. The draw of the starting order will be organized on the 10th of January 2020. The starting order and time schedule will be announced on the website after the drawing.

2.5 Music

The music for the program has to be uploaded to cup.starsonice.nl before the closing date.

3. Judges

3.1 Judging

The competitors of the categories Twinkle Stars, Rising Stars, Super Stars will be judged with the score card. See regulations.

The competitors of the categories Future Stars, Basic Novice (B), Advanced novice (B), Junior (B) and Senior will be judged with the ISU judging system, this judgement will be done without a replay.

3.2 Judges

Each participating foreign club can propose a at the least national level qualified judge. Entries from a foreign club bringing a judge will have priority in case of too many entries. Names and mailadres of the candidate judges must be sent to starsonice@hotmail.nl before the closing date 24th of December. These requests will then be made know to the Dutch Skating Federation. The organizing committee will provide all judges with food and if necessary lodging during the competition.

4. Qualification Dutch skaters

The organisation is adhering to the requirements listed by the Dutch skating Union (dep.of figure skating) in providing a qualifying event for Dutch skaters in the M and B categories. The results can therefore be used to qualify for the finals.

Skaters will be categorised by age and level as much as possible. When the number of skaters in a group has exceeded the organisation can if necessary split up the group by age before the draw.

If the number of skaters in a category is exceeded, the rule that applies will be: full=full; up to the maximum in relation to the available competition hours.

Regulations

For all categories the following ISU rule applies to the free program (Rule 612, par.2): Any double jump (including double Axel) cannot be included more than twice in total in a Single's Free Program (as a Solo Jump or a part of Combination / Sequence). Of all triple and quadruple jumps only two (2) can be executed twice. Of the two repetitions only one (1) can be a quadruple jump. If at least one of these executions is in a jump combination or a jump sequence, both executions are evaluated in a regular way. If both executions are as solo jumps, the second of these solo jumps will be marked with the sign "+REP" and will receive 70% of its original Base Value. Triple and quadruple jumps with the same name will be considered as two different jumps. No triple or quadruple jump can be attempted more than twice.
