Belgian National Team Regulations – Advanced Novice

Gelieve kennis te nemen van volgende aanpassing/aanvulling in de Belgian National Team Regulations.

Veillez prendre note de l'adaptation/complément suivant dans les Belgian National Team Regulations.

Belgian skaters whose age falls within the limits specified in Rule 108 to enter foreign competitions in the category Advanced Novice :

Scores obtained during a national or international Belgian A-competition in the category Junior, can and will only be recalculated and taken into account for a possible qualification for the Belgian National Team, Team B, category Advanced Novice, if the skater's free program contains :

- *One combination spin with change of foot*
- *One flying spin or spin with flying entrance in on position.*
