Meerdere levelverhogingen – plusieurs majoritions

---

Gelieve kennis te nemen van volgende aanpassing/aanvulling in de *Figure Skating Level Regulations* en de verschillende *Competition Regulations*.

Veuillez prendre note de l'adaptation/complément suivant dans les *Belgian National Team Regulations* et les différents *Competition Regulations*.

*A skater who obtains a higher Figure Skating Level Test can participate in [A or B]–competitions in the same category for a maximum period of three (3) months starting from the day the skater obtains the new level. In [A or B]–competitions of which the first competition day is three (3) months after the skater obtained the new level, the skater needs to participate in the new category.*

*After obtaining a higher Figure Skating Level Test, a skater can also choose to upgrade earlier within the three (3) month period. **If multiple levels were obtained at the same time, a skater is also allowed to gradually upgrade, level by level, within this three (3) month period if the skater qualifies to enter competitions in this higher category.***

***In case of an earlier upgrade, the club must inform the National Secretary, the Regional Secretary and the Responsible National Competition about the respective competition at least ten (10) days before the first competition day.***
