

De K.B.K.F. wil alle schaatsers hierbij in de eerste plaats aan het wedstrijdreglement herinneren en in het bijzonder aan de mogelijke sancties op onderstaande inbreuken.

Avant tout, pour le F.R.B.P.A. il est important de rappeler à tous les patineurs les règles des compétitions, et en particulier les sanctions éventuelles sur les infractions sousmentionnées.

Competition regulations (extract)

- *A skater who is enrolled for a competition or national test and who, for whatever reason, can not participate, must inform the organizing club and the national competition coordinator and this via the club secretariat.*
Non-participation without cancellation is sanctioned by the federation with a fine of € 25, invoiced to the club of allocation.
In the event of a repeat of the infringement, the penalty may be up to a maximum of € 100 and a suspension for participation in one to a maximum of three competitions for which the skater is eligible to enroll.

- *A skater enrolled for a competition must personally and in possession of his/her identity card or Kids-ID and, if requested, also with his/her program music, present him/herself at the competition secretariat and this at least one hour before the start of the category or subcategory (ie NOT just the warm up group) in which the skater participates. All participants will therefore check for the most recent timetable, as published in the competition calendar on www.skatebelgium.be, Competitions and tests.*
For the first category of the competition day this can be reduced to half an hour. This is always mentioned in the announcement.
Late registration is sanctioned by the federation with a fine of € 25, invoiced to the club of allocation.
In the event of a repeat of the infringement, the penalty may be up to a maximum of € 100 and a suspension for participation in one to a maximum of three competitions for which the skater is eligible to enroll.

- *Skaters who are coached during a competition by a trainer who does not hold a valid coaches license to enter the restricted zone, or are being coached outside the restricted zone, are sanctioned by the federation with a fine of € 25, invoiced to the club of allocation.*
In the event of a repeat of the infringement, the penalty may be up to a maximum of € 100 and a suspension for participation in one to a maximum of three competitions for which the skater is eligible to enroll.

- *Skaters must remain present until after the formal award ceremony of the category in which they participate. Any publication of the final ranking before the award ceremony does not change this obligation of attendance.*
Absence at the award ceremony can be sanctioned by the federation with a fine of € 25, invoiced to the club of allocation.
In the event of a repeat of the infringement, the penalty may be up to a maximum of € 100 and a suspension for participation in one to a maximum of three competitions for which the skater is eligible to enroll.
