

## REGULATIONS FOR NATIONAL TECHNICAL SPECIALIST

### GENERAL RULES

- A Technical Specialist must fully adhere to the ISU code of ethics (see [www.isu.org](http://www.isu.org)).
- They must keep themselves fully informed about all matters concerning the performance of their duties in the current General Regulations and Special Regulations and Technical Rules, ISU communications and manual, handbooks and booklets and all updates published on the ISU website [www.isu.org](http://www.isu.org) and National website [www.skatebelgium.be](http://www.skatebelgium.be).
- Comport themselves with discretion always.
- Wear sober non-striking clothes during judging events.
- Not communicate any results nor oral nor written during competition.
- Refrain from all comments after the conclusion of the competition.
- Refrain from contact during the competition with parents, skaters and coaches.
- Must refrain themselves from all comments regarding national competitions and/or national skaters on social network sites or other public media.
- A technical specialist needs to provide a list of all the skaters he/she is working with on a regular basis (regular = at least once a week) to the responsible TS. The TS needs to inform the responsible TS by mail within a week after the end of the cooperation with the skater. If the responsible TS is not informed, this TS is considered as still working with this skater.
- No technical specialist can call any previous students of him/her for twelve months (12) after the student stopped working with the coach.
- A National TS who receives an invitation to a foreign national- or international interclub competition needs to inform the responsible TS. The national grill and the importance of the competition should be taken into account.
- Technical Specialists who wants to serve again after a long absence, need to send a written application to the responsible TS and the Sport Coordinator by mail to:
 

[annemiedepreter@hotmail.com](mailto:annemiedepreter@hotmail.com)  
[vera.vandecaveye@skynet.be](mailto:vera.vandecaveye@skynet.be)
- After the authorization of the responsible TS and Sport Coordinator, the TS needs to attend a Seminar for TS at the beginning of the season before the first national competition.
- If the TS hasn't served calling for three (3) years or less before returning, the TS will start in training 3 if the TS was previous already a national TS.
- If the TS hasn't served calling for more than three (3) years before returning, the TS will have to restart in training 2.

## **TRAINING 1**

### **To be eligible for training 1 national technical specialist, the following requirements need to be fulfilled:**
