

Team Belgium, Team International

Team International

- a) **Definition** : Skaters/couples who have obtained the required National Total Result Score to participate in ISU-listed Competitions in the discipline in which they participate.
- b) **Qualification requirements** : Skaters/couples must have obtained the required National Total Result Score below. These scores can be obtained at
- National and International Interclub A-competitions and Belgian National and Regional Championships;
 - **Foreign International Interclub Competitions approved by KBKF/FRBPA for A skaters and eligible for qualification for Team International;**
 - ISU-listed Competitions
- during the ongoing season 2026-2027 or the previous season 2025-2026.
- c) **Entries** : Entries are made by the federation. If there are entry limitations for the ISU-listed Competitions (for instance Coupe du Printemps and Challenge Cup), a selection will be made based on the best Total Result Scores during the **ongoing** season.

Required National Total Result Scores to enter ISU-competitions 2026-2027 :

Senior

Senior Women	140.00 points Total Result Score
Senior Men	177.00 points Total Result Score

Junior

Junior Women	117.00 points Total Result Score
Junior Men	135.00 points Total Result Score

Advanced Novice

Advanced Novice Girls	82.50 points Total Result Score (including bonus points)
Advanced Novice Boys	99.50 points Total Result Score (including bonus points)

Participating in ISU-listed competitions in Basic Novice

Advanced Novice skaters who meet the age requirements to skate in the Basic Novice category are allowed to enter ISU listed competitions in Basic Novice if they have obtained the below Total Segment Score (Free Skating) in the category Advanced Novice or lower at least once in the ongoing or previous season.

Basic Novice Girls	42.50 points Total Segment Score (Free Skating)
Basic Novice Boys	50.50 points Total Segment Score (Free Skating)

Unless entries should be made using the ORS system, entries are made by the club **after being approved** by the federation.

Once an Advanced Novice skater who meets the age requirements to skate in the Basic Novice category and has obtained the required National Total Result Scores for International ISU-listed competitions for Advanced Novice, decides to compete in Advanced Novice in ISU listed International Competitions, the skater can no longer be entered in an ISU listed International competition in Basic Novice.
